

HOLY ROSARY RC PRIMARY

"I come that they may have life and have life to the full"

Week Beginning - 7th April 2025

Autism Colour Run

This week we celebrated Autism awareness day by hosting a colour run. The afternoon started with the school council leading us through an assembly helping others understand what Autism is. They talked about "Autistic Spectrum" and how this is similar to the spectrum of colour and how everyone has their own special way of seeing our world. The children then joined together and completed a colour run around the playground - it was magnificent!

Parking

Please can we remind everyone to ensure they park with consideration. We are receiving some complaints from local residents and this is reflecting badly on school.

May we also remind you not use to use the school car park or use the car park entrance as a drop off point. All these things pose a risk to our children and we want to ensure their safety at all costs.
