**"I come that they may have life and have life to the full"**  
**John: 10:10**

**Week Beginning - 15th September 2025**

## After school Club

This term we have not offered bookable afterschool clubs. We have placed priority on establishing our leadership groups who meet after school. These are the Faith Team, Laudato Si group, School Council.

Next week we will offer out a new Sports club led by our sports coach from Oldham Athletic. This will be on a first come first serve booking basis and will have limited spaces.

Moving forward we will be sending out a parent survey to gain children's wishes for clubs moving forward.

## Foundation Stage Area

Last year, we invested funds into developing our Foundation Area and we are sure you will agree it is much improved. Please can we remind parents to not allow children into this area before and after school. Staff may have set up resources or be developing a space. Please can we also ask Foundation Stage parents to wait outside of the gated area at the end of the school day. Staff will send the children out to the gate once they see parents.

## Free school meals

This week we have issued a form for anyone who wishes to check to see if they are eligible for means tested free school meals. Children eligible are entitled to free breakfast club and once up and running, a free club place. Please check school spider to apply.

## Uniform

Despite our reminder last week, we are still seeing children in incorrect uniform. There are lots of children without school ties. This can be purchased via school spider or via the school office.

PE footwear is also where we are noticing children wearing bright colour and branded footwear. This footwear is not always suitable for PE. Please be reminded that on PE days, children should be wearing plain black pumps or trainers

## Access to school

Please can we remind children about riding bikes and scooters up and down the main school path. We asked the children to push bikes and scooters up and down the path there's not to cause any access problems or accidents.

## Next Week

Below are a couple of events coming up over the next couple of weeks.

The school calendar on the home page of the website will keep you up-to-date with events for the rest of the term
