

Bad Weather Policy

This policy is a statement of the aims, principles and strategies for managing actions to be taken when there are adverse weather conditions that may affect the opening of schools. The policy will be reviewed in line with the priorities set in the School Development Plan.

MISSION STATEMENT

'I come that they may have life and have life to the full' John 10:10

AIMS

At Holy Rosary, we aim to ensure that all staff and pupils are safe at all times. This plan outlines the contingencies made in the event of a heavy snowfall which may result in enforced school closure or restricted opening.

This plan aims to prevent:

- The stranding of pupils and staff
- Unnecessary risks travelling to and from school
- Excessive impact on children's education
- Accidents in the school through good risk assessment

POLICY

It is policy that school will open on all normal school days even when some poor road conditions exist. However, in the event of a heavy snowfall, we cannot guarantee that staff will be able to attend school and a decision to close or restrict school opening may have to be made.

Staff should make all reasonable attempts to attend work in the event of snowfall including the consideration of public transport. However, we do not wish for any member of staff to put themselves at risk. If a member of staff is unable to attend work they should inform the headteacher as soon as possible by text message or a phone call.

The headteacher will gather all available information including the condition of the school site and surrounding roads and all implications for Health and Safety. The site manager should give the headteacher as much information as possible to inform the decision.

PLEASE ENSURE YOUR PHONE NUMBER ON OUR RECORDS IS UP-TO-DATE AND CURRENT AND YOU ARE REGISTERED TO OUR SCHOOL APP.

Bad Weather Policy

If there is heavy snowfall prior to the opening of the school

The decision to close the school will be taken by the Headteacher and will be taken by 8.15am at the latest. If the weather conditions are severe enough to force closure or restricted opening, this decision will be communicated by the following means:

- Staff: S.Warsap will contact staff by text/school App
- School website (www.holyrosary.oldham.sch.uk) T.Cavanagh will update along with Facebook
- Twitter feeds will be shared by ALL accounts
- Pupils: T.Cavanagh will contact pupils by school App push notification
- Additional services and adults will be contacted by S.Warsap and M.Bardsley
- Oldham council snow line will be informed
- Chair of Governors will be informed

If the school is closed, a member of staff (where possible) will be available at school to ensure that messages and communication are maintained for the first few hours of closure. Thereafter, the school will be empty. If there is an enforced school closure, we cannot look after children. However, those already delivered to school prior to a decision being made will of course be looked after until they can be collected.

Restricted opening – where school is open but some staff may be unable to attend or where weather conditions may prevent some pupils from attending:

Parents are asked to exercise extreme caution when dropping off or collecting children. Parents must ensure that school is open to avoid children being left unattended. At the end of the day, the children should be collected as usual but there will not be any after-school clubs or staff meetings. Parents who wish to collect their children early due to the road conditions may do so from 2pm onwards. Parents are reminded to ensure their children have warm clothes and suitable footwear in case their journey is disrupted or they are stranded.

Decision – If there is heavy snow fall during the school day

We aim to avoid staff and pupils becoming stranded in the school due to snow and treacherous weather conditions. In snowy weather there will be close monitoring of weather conditions and consideration of the met office forecast. If heavy snow is expected whilst school is in session, a decision will be taken as to whether staff and pupils need to go home earlier than the official end of the school day.

Bad Weather Policy

If the decision is made, a push notification message and additional telephone calls will be made to parents so they collect their children as soon as possible. Updates will also be made using social media- Twitter and Facebook. Pupils will only be released prior to the end of the school day if they are collected by parents. Parents may give verbal consent to their child walking home if this is their usual arrangement. Whilst maintaining suitable ratios for safety, staff living furthest from school and in the most inaccessible locations will be permitted to leave first. A senior member of staff will remain on site until all pupils have been collected.

Q&A for Parents

Will I be contacted in the event of snow?

Yes, a push notification message will be sent to all parents. Parents are reminded to ensure that school has up to date contact details.

Do I need to contact school?

If you decide not to travel because of the road conditions, please let us know so that we know the children are safe.

Should I travel to school or not?

Parents and staff should make the decision as to whether it is safe for them to make the journey to school.

Will there be after-school clubs?

No. Please keep the office informed if you are delayed on your way to collect the children and are stranded. As always, we will look after the pupils until you get there.

When should I collect my child?

Parents who decide to bring their children to school are welcome to collect their child early if it suits them, otherwise please collect at 3pm.

Impact on education

On days when the school has restricted opening, children may not be taught by their usual teachers or in their usual classes, as we may not have our full quota of staff. However, we will ensure that we have an educationally valid day which will include English and Maths at an appropriate level.

Bad Weather Policy

Support if stranded in school

A member of staff will stay in school until all children have been collected.

Food – the school kitchen holds a small stock of food throughout the term which can be used to ensure a snack for anyone stranded. Heat – as the system is gas-fired, this should not be affected. In the event of breakdown and the necessity to close the school, communication will be through the means outlined above.

Internal safety measures/checks

Fire escapes and routes – to be cleared and salted as a priority. Salting – site manager will ensure sufficient stock. Salting of the paths for access to the school will commence at 7am each day as necessary and during the day if conditions required.

Data Protection Statement

The procedures and practice created by this policy have been reviewed in the light of our Data Protection Policy.

All data will be handled in accordance with the school's Data Protection Policy.

| Data Audit For This Policy | | | | | |
|---|--|--|------------------------------|--|---|
| What? | Probable Content | Why? | Who? | Where? | When? |
| Registration Admission Staff records | Name D.O.B. Telephone Details | Details for contacting parents and staff to indicate staff closure | SLT and Administration staff | Recorded electronically on SIMS and school App | Held on file throughout the child's time at the school. Computer retains copy of records in 'archive'. |

As such, our assessment is that this policy:

| Has Few / No Data Compliance Requirements | Has A Moderate Level of Data Compliance Requirements | Has a High Level of Data Compliance Requirements |
