Bomb threats: Procedures for handling bomb threats

12. On receipt of a "bomb threat" - Dial 999 and police will respond. You should always consider their advice before a decision is taken to close or evacuate.
13. If the site requires full evacuation staff and children from Holy Rosary Primary School, children will promptly leave the site and go to car park of Holy Rosary church where they will be held until either returning to the school building or be dismissed to parents. SLT will allocate staff to supervise the gates to ensure no movement in or out of car park.
14. If necessary parents will be notified as soon as it is practical to do so via the school's established communication network - text Parents will be told:

'..the school is in a full lockdown situation. During this period the switchboard and entrances will be unmanned, external doors locked and nobody allowed in or out..'

Lockdown Procedure Policy

15. Depending on the type and severity of the incident, parents may be asked NOT to collect their children from school as it may put them and their child at risk. Children will not be released to parents during a lockdown. Parents will be asked not to call school as this may tie up emergency lines.
16. If the end of the day is extended due to the lock down, parents will be notified and will receive information about the time and place their children can be picked up from office staff or emergency services.
17. A letter to parents will be sent home on the nearest possible day following any serious incident to inform parents of context of lockdown and to encourage parents to reinforce with their children the importance of following procedures in these very rare circumstances.
