

## The Stable Hoedown

CHORUS:        Hands in the air,  
                  Tickle in the middle,  
                  Wiggle on knee with a 1,2,3,  
                  We're doing the stable hoedown,  
                  Come along and dance with me.

You could be my partner,  
I could be your friend,  
We'll dance all day 'til the sun goes down,  
The fun will never end.

CHORUS

Now that we're together  
We'll never be alone,  
We'll dance all day 'til the sun goes down,  
We'll dance 'til the cows come home.

CHORUS

(Instrumental)

Hands in the air,  
Tickle in the middle,  
Wiggle on knee with a 1,2,3,

Come along and dance with me.

Come along and dance with me.  
YEE-HA!

## Working in a Stable

CHORUS: Working in a stable, this is what I do,  
Sweep out the old hay, bring in the new,  
What a smelly job, that may be true,  
But without me, what would the animals do?

The stable would be messy,  
If no-one cleaned the floor,  
The cow would moo, and moo some more,  
Moo, moo, moo, moo, moo  
Moo, moo, moo, moo,  
Moo, moo, moo, moo, moo  
Moo, moo, moo, moo.

CHORUS

The stable would be messy,  
If no-one cleaned the floor,  
The horse would neigh, and neigh some more.  
Neigh, neigh, neigh, neigh, neigh,  
neigh, neigh, neigh, neigh, neigh, neigh, neigh, neigh, neigh,  
neigh, neigh, neigh, neigh,

CHORUS

Clip-clop little donkey,  
Can you carry Mary?  
Clip-clop little donkey,  
On the rocky road.

Clip-clop little donkey,  
She's gonna have a baby,  
Clip-clop little donkey,  
Steady with your load.

Clip-clop. Clip-clop.  
Find a place to stay for us.  
Clip-clop. Don't stop!

Clip-clop little donkey,  
On the rocky road.

## **Mary's Lullaby**

Little baby sleep,  
For you've had a busy day,  
Little eyes close,  
Sweet dreams are yours,  
Little baby sleep.

Little baby rest,  
God is watching over you,  
Hearing my prayer,  
Safe in his care,  
Little baby rest.

CHORUS: Sleep, sleep  
                  Sleep little baby sleep,  
                  Sleep, sleep  
                  Sleep little baby sleep.

## Three Wise Men

Three wise men looking at stars,  
One saw Venus, one saw Mars,  
One saw a star, bright and new,  
So they followed that star like wise men do.

CHORUS: Follow it to the left,  
Follow it to the right,  
Up, down, all around,  
Shining, shining bright.

Three wise men need a break,  
One got a blister, one got an ache,  
One got a hole in the bottom of his shoe,  
So they stopped for a rest like wise men do.

CHORUS

Three wise men back on track,  
One at the front and one at the back,  
One in the middle of the other two,  
Following the star like wise men do.

CHORUS: Follow it to the left,  
Follow it to the right,  
Up, down, all around,  
Shining, shining bright.  
Follow that star tonight.

## **If you think you're not important**

CHORUS: If you think you're not important,  
For the little things you do,  
Just remember God above  
Is very proud of you!

Think about the stable boy,  
Working every day,  
He had an important job  
Sorting out the hay!

CHORUS

Think about the shepherds,  
On the hillside steep,  
They had an important job  
Looking after sheep!

CHORUS

Think of baby Jesus,  
Sent from God above,  
He had an important job  
Bringing peace and love!

CHORUS: If you think you're not important,  
For the little things you do,  
Just remember God above  
Is very proud of you!  
He's very proud of you!

## Prickly Hay

CHORUS: Prickly hay, prickly hay,  
They laid him in some prickly hay,  
In a manger far away  
In some prickly hay

The little baby Jesus,  
Didn't have a bed,  
So they laid Him in some prickly hay  
In a cattle shed.

CHORUS

Shepherds went to see Him,  
In that cattle shed,  
And there He lay in prickly hay,  
Just like the angel said.

CHORUS:

Three wise men went searching,  
Guided by a star,  
I can't remember two of their names,  
But one was called Balthazar,  
Balthazar, Balthazar!
